R: REDACTED MATERIAL

CURRICULUM VITAE OF DR. J. MORRISON BRADY

REDACTED

He received a Bachelor's degree in Zoology from the University of Washington in ____ In 1940 he received his M.D. degree from the Medical School of Northwestern University at Chicago.

Having begun special training in pathology while in medical school, he completed the work necessary to receive the degree of Master of Science in Pathology while an intern at Cook County Hospital in Chicago in 1941. The final six months of his 18-month internship were on surgical service. Dr. Brady engaged as part of his graduate training in two major research projects under the Departments of Urology and Bacteriology at Northwestern.

Following internship, Dr. Brady served as an industrial surgeon for the Campbell Soup Company of Chicago, and provided the Illinois State Public Health Department an evaluation of the research projects in which he engaged while at Northwestern.

REDACTED

From 1945 to 1949 he was assistant superintendent of the 240-bed Pierce County Hospital at Tacoma, Wash., and from 1949 until 1954 he was general superintendent. He also engaged in the private practice of surgery and taught surgery and general medicine at the College of Puget Sound. In 1954 and 1955 he was medical director of the Fresno County Hospital at Fresno, Calif.

Dr. Brady has served as a member of the board of trustees of the Washington State Hospital Association from 1945 to 1954, and in 1954-1955 was Hospital and Medical Services Coordinator for Fresno County, Calif.

In 1951 he was named Consultant to the United States Public Health Service on problems of personnel resources for Civil Defense planning. From 1956 to 1959 he was Assistant Director and Director of Medical Services for the National Foundation for Infantile Paralysis, and in 1959 was named Medical Director of the Muscular Dystrophy Association of America, a post he retained until joining the Tobacco Industry Research Committee as Associate Scientific Director in May 1960.
